

INFINITE 3 MOTOR WS

79103W

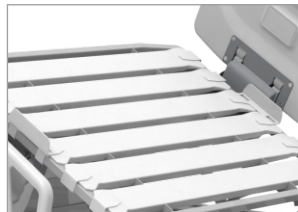

WEIGHING SCALE

For patients that has limited mobility, this feature allows the care giver to measure the patients' weight without getting them off the bed.

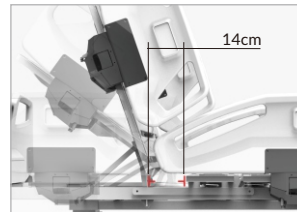

SIDE GUARD

With 220 mm height above mattress surface (maximum mattress thickness 100 mm), the safety side guards provide protection for patient from the risk of falling. Care giver can operate the side guards by just one hand. The Infinite side guards were designed to avoid entrapment.

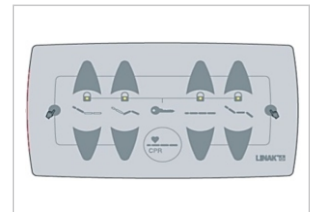

MATTRESS PLATFORM

The Infinite mattress platform is made of lightweight material and can easily be removed and installed for maintenance and cleaning purpose.

AUTO REGRESSION

With Auto Regression feature, the back-raise platform will move 110mm backwards and 35 mm upwards when the backrest is raised. That way it gives more space in the patient's pelvic area, hence reduces pressure in the abdomen.

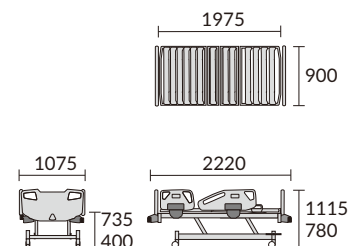

NURSE CONTROL

The nurse control is designed for easy operation for the care giver with lock feature that limits certain bed functions that can be adjusted by patient. With an extra-long cable of 3.5 m, the nurse control can support the care giver flexibly.

SPECIFICATIONS

Construction	Combination of high quality steel section, and sheet construction utilizing the latest manufacturing techniques throughout.
Head & Foot End Panel	Polypropylene panels (Blow molding process).
Positions	<ul style="list-style-type: none"> - Back-raise inclination: 0 - 70°, with auto regression: ±140mm. - Knee-raise inclination: 0 - 24°. - Mattress platform elevation: 400 (low) - 735 (hi). - Bed extension: 200mm on knee-raise. - Electric CPR and Manual Quick Release - Auto contour.
Battery Backup	1 hour of use, 6 hours of charging.
Castor	5" double wheel central lock castors.
IV. Pole	Stainless steel sections - adjustable. Can be located in four different positions.
Accessories	<ul style="list-style-type: none"> - Weighing Scale - Accessories Railing - Angle Indicator - X-ray Holder
Optional	Back-raise mattress board for x-ray function.
Power Consumption	100-240v, 50-60Hz, 200W.
Finishing	Epoxy powder coating (cat oven).
Max. Patient Weight	185 kg.
Safe Working Load	250 kg.
Net Weight (approx.)	140 kg.
Dimension (approx.)	(L) 2220 x (W) 1075 x (H) 780 - 1115 mm (overall without bed extension). (L) 1975 x (W) 900 x (H) 400 - 735 mm (on mattress platform).
